Why do we have this Code?

We, Hong Leong Industries Berhad and our subsidiaries (“**Group**”), are committed to conducting business in a fair, ethical and lawful manner in every country in which the Group operates. Accordingly, we expect our business partners to share the same commitment. This Supplier Code of Conduct and Ethics (“**Code**”) serves to set out the minimum standards of business we expect from all our Suppliers (as hereinafter defined).

This Code may be amended by us from time to time and all such amendments shall be binding on the Suppliers with effect from the date the amended Code is uploaded on our website at www.hli.com.my.

Who does this Code apply to?

We expect our Suppliers to communicate the standards and expectations contained herein effectively throughout their organisation as well as their supply chain to ensure that this Code is at all times upheld throughout the entire supply chain.

This Code shall be a condition to all contracts made or to be made between the Supplier and the OC. By the acceptance of any purchase order from the OC, the entering into any contracts with the OC, and/or the supply of any goods and/or services whether directly or indirectly to the OC, the Supplier acknowledges and signifies its acceptance of this Code and the agreement to comply with the provisions hereunder.
